“ Adrian, Lola and family, My deepest sympathy to you. Even though she lived a long life, it is still heartbreaking to lose your mother. I was so grateful to her for taking such good care of my father. I think they had a happy life together and enjoyed many of the same things. When I was a little girl, I always liked to go over to your/her house because she was always so happy to see me and treated me so well. Later, when I would visit her and bring my children or grandchildren she was always pleased to see us. She liked company, cooking and to socialize. I have several of her recipies and when I make any of her dishes, I think of her - especially her deviled eggs. I'm sorry I won't be able to attend her service, but please know my thoughts and prayers will be with you. Sincerely, Joan
