“ I want to share our condolences on the homegoing of Mrs. Dreher. I have early memories of her teaching Sunday School; she was a wonderful lady and a great role model for young people.

“ Not sure where to really start.. Aunt Dot as I called her was my great aunt. When I was younger every summer or every other summer we would go down to Colorado and visit her.. these were my favorite memories. Going out to dinner, playing in the hoes, sitting there and just talking for hours. I am going to really miss you RIP and I love you Aunt Dot

“ It was my honor to work beside Dorothy to establish a MADD chapter in 1984-85. Her passion against drunk driving was heartfelt and she was always a distinguished and powerful speaker. She was a tireless advocate for the victims and their families as well as being a treasured friend to me and my family during those years. She will be greatly missed by all who knew her.

“ Auntie Dot you will be forever missed and loved! I know your happy to be reunited with Doug, Uncle Ferd and your Father in Heaven. My favorite memory will always be making meat balls and black gravy in the kitchen. You are the strongest women I have ever known and I will miss you! Love you always and forever!
