“ We were sorry to hear of her passing. We were blessed to have met Dorothy when we once visited her home, and found her love for people and her Lord to be contagious. We know that she is now in the arms of the One she has loved here on earth, but we send our prayers to the family. We're sure she will be missed.

“ What a treasured friend your mother and family has always been to the Goodrich tribe. I have so many fond memories of times spent with Dorothy and yes, I am one of those that wishes I had paid much more attention to my piano lessons!! It was my pleasure to put together the photo tribute of your mom's life -- I am so happy that I was in Fort Collins and could do that. I imagine that Dorothy, Evelyn, Helen, and Mom are together again planning their next adventure. Hugs to you all!
