

## Dorothy Irene Schneider

September 19, 1922 - January 28, 2014

Dorothy I. Schneider passed away on January 28, 2014 at the age of 91. At her request, there was no funeral service. A family memorial will be held this spring. Dorothy's family and friends are familiar with her many special qualities. She was proud to be a farmer and worked diligently for years alongside her husband Alvin Babe in their successful farming and dairy businesses. They set aside time on Sunday afternoons to meet friends and enjoy the music and dancing to their favorite polka bands. In later years, they found pleasure through travel and fishing trips. Dorothy always had that beautiful smile, positive confident influence and refined cooking skills that will be sorely missed. She is survived by her children, Gerry Manee Schneider, Judy Rich Uhrich, Janet Rick Peden; and grandchildren, Carrie Casey Schares and Jason Uhrich.

“ Both Dawn and I offer our condolences and share your loss of your dear wife Dorothy even tho Dawn has Alzheimer's and cannot communicate, I know that she would want me to send this heartfelt message. Both of you were kind to us many years ago when we purchased the south 80 from you in Wellington. We always admired the way you two would sit together as you drove your car to and fro...sure reminded us of our personal lives! You two loved each other surely until death did you part! May the Lord God bless you and keep you as well as hold you up during this terrible loss.

“ I was saddened to learn of your mother's passing. Growing up I remember both you mother and dad supporting you all of us at school events. What great role models... I especially remember your mother's quite confidence in close basketball games. I will keep you in my thoughts and prayers. You Friend, Ken De Leo
