“ Dear Warren Family, I am writing this to you because of how much your Mom and Dad meant to my Mother, Luetta Ver Straeten. She used to live with them at the mortuary and take care of you kids. She is now lives in Arizona, and has commented several times that she wished she knew what happened to your Mom, the reply from her Christmas cards, stopped coming long ago... Know that your mom and dad really made a difference in many people's lives, and my mom was one of them.. Also know, that a sunset on earth is a sunrise in heaven. May the Peace and Love of Our Lord Comfort you...J.j.Farrell

“ Dear Janet & Robbie: Dorothy was a faithful member of our XYZ class. She always looked so beautiful and had a wonderful smile that radiated the peace in her heart, her love for others, and most of all her confidence and love for our Savior. She did such a special favor for us, sending us help when we needed it, but had not asked for it. She was sensitive to the Lord's leading and we are so grateful to her. We look forward to joining her praising our Savior in Heaven. Our prayers are with you at this time. Two appointments on Friday prohibit our attendance at her service, but we rejoice with you to know where she is at this time and wonderful memories are ours and yours. Lovingly in Him, Tom & Marcia

“ May God console Robbie, Janet and JoAnn during this time of loss and help them celebrate their Mother's passing to a better place. My Aunt Dorothy was truly a "wonder woman." She was and has always been very, very good to me and all of my other 22 cousins! I treasure the memories that I have of the time I spent with her, Uncle Harold, Robbie, Janet and JoAnn. I know in my heart that there is a BIG Stegner welcoming party going on in Heaven for my Aunt Dorothy. I'm also happy that she is reunited with her beloved Harold, who she has missed so very much. Love, Peggy

“ My family knew Dorothy & Harold since the years of the funeral chapel. Both were such wonderful and kind people. I'm glad that Dorothy had more years with those she loved after Harold's passing. My sincere condolences.

“ Dear Leon, Janet & Family, Although your mom hasn't been with us in XYZ for a long time, we will still miss her knowing she is gone. She was a lovely, sweet person and I'm sure was welcomed by several XYZ-ers in Glory. May God comfort and give you peace in the days ahead as you grieve your loss and adjust to her absence. What a blessed hope we have in Christ of reunion with Him!
