“ *When I was a patient of Dr. Harold Kummerlin and later Dr. Lynn Washburn, Dorothy was at the front desk, always friendly and smiling, helping with payments and appointments, sometimes helping the dentist with his work. I remember her with great fondness; she made visits to the dentist much more tolerable, and I always looked forward to talking with her when I went. She was a genuine, open and kind individual.*

“ Dear Bob, Janet and Bobby,

I am so sorry for the loss of your beloved Dorothy/mom! She was such a wonderful, caring and loving person! She was a great strength to me when my mom passed away.

Growing up on Broadview Street with all of you, I have so many memories, too many to share at this time! Also going to Dr. Kuemmerlin and Washburn for my dental appointments and seeing Dorothy at the desk, always with a smile!

She is now with Gregg and you all have two angels to watch over you now!

*With deepest sympathy,
