“ I was in nursing school in 1973 and 74, then working in a nursing home. I remember Dr. Dupper being a quiet, kind man. He took loving care of his patients and was very respectful when communicating with me and not all doctors were. I am sorry for your loss, especially both at one time, and hope that you can all share your good memories with each other as a healing memorial to Doctor and Mrs. Dupper.

“ Hi Mike, My condolences to you at this time. I am so sorry and know the feeling of lost of parent as we all go through this one time or another in our lives. Just know I am thinking of you and appreciate your friendship. I started my nursing career at PVH Oct. of 1967 and worked until 1974. Remember Dr. Dupper from the time I began working. also very serious and kind, a very good Dr. Met your Mom when she worked there as well. Awesome lady and nurse. I was in the Beebe clinic a time or two and remembered your Mother although it was several years later. Did enjoy visiting with her on phone when I met you. Do take care and just know God is always with you and your Mom is always with you in Spirit and in your heart and your mind. Love you friend. Kathy Holtzinger Bridwell Cole

“ We have known Dr. Dupper and Wanda over 50 years. He was our "home visit" doctor who took very good care of both of us. What a rich blessing to have crossed paths in so many ways. The Dr.Dupper children's story at church was a small remembrance of what giving and special friends you were to everyone. Thanks you so much for sharing your lives with us!! “ *Dr. Harold and Mrs. Wanda Dupper were dear friends when we attended the Fort Collins Seventh-day Adventist Church many years ago. Dr. Dupper's quiet and gentle spirit was calming and comforting. Wanda's brilliant smile and cheerful nature were so attractive and engaging. I will miss them both a great deal. May The Lord bring comfort to all their loved ones, including the Dupper boys I was privileged to know at Campion Academy and afterward and their families.*
