“ *We are all so blessed to have had Papa for 83 years. I am so grateful for the wonderful memories I have of Granny and Papa, they were the epitome of the words. Their family was their world, they realized the importance of it and would treat family with love, respect and dignity. I find peace in knowing they are together once again. You will be missed Papa, just as much as Granny is. There is not a day that passes that I don't think of you when I walk into work passed the Mack bulldog. We love you! Casey, Nicholas and Reagan*
