“ *Sending love and condolences to Elaine and "boys". It's been a long time, but, will never forget Eddie and his kindness. I remember him sitting with us in the hospital when our Heather had hip surgery - praying for us. He was a beloved friend and a shining example of what a Christian should aspire too. He was a friend to Dad and Mom, generous, steadfast, and humble. A mentor to Bob, and just a genuinely good man. One of those people who you just know is always going to be there for you. What a loss. He will ALWAYS be a part of my memories of the Church of Christ in Bellvue...from the day of his wedding, to the day of our wedding...and beyond.*

*Sincerely, and with Love,

Dad knew him in Missouri and when we moved to Colorado he moved here some time after, eventually settling close to us, Or us close to him lol, Anyway I will always remember his singing voice I loved it and told him he could make records He would just laugh at me and go on singing His songs will be missed.
