

Edward W. Devine, Jr.

June 1, 1941 - September 4, 2019

Edward Walter Devine Jr., 78, passed away peacefully on September, 4, 2019, in Fort Collins Colorado, surrounded by family. His memorial service will be held on September 21 at 1pm at the Bohlender Funeral Chapel.

Mr. Devine was born on June 1, 1941 in Missouri. He had a successful career as the material manager for Lockheed Martin, formerly Unisys. He married Mary Devine on Sept 5, 1964. Together they raised 3 children. Mr. Devine moved to Eagan, MN where he and Mary built their home from a kit. In 1985 he moved to Pueblo, CO where he worked until his retirement in 1996.

Mr. Devine spent his retirement helping start the Pueblo chapter and volunteering for Habitat For Humanity, overseeing the construction of many homes in southern Colorado. His selflessness helped many families in need begin new chapters in their life by helping them get on their feet for a more prosperous and safe life. During his time with Habitat for Humanity he involved incarcerated men to help work on the homes and learn construction skills that they could use later life when their time had been served. This helped countless men learn how to better their lives. He went on to mentor those in need through the Sheriff's department in Pueblo.

Mr. Devine truly had a giving heart and loving need to help less fortunate individuals. His family and friends paid tribute to him, "Ed was a good man,

one who gave with an open heart and he will be greatly missed.”

He is survived by Mary Devine; his three children, Jennifer, Daniel, and Sarah, and their spouses, 5 grandchildren and 2 great-grandchildren.

In lieu of flowers please make contributions to Habitat for Humanity in care of Bohlander Funeral Chapel, 121 W. Olive, Ft. Collins, CO 80524.

“ I am a volunteer with Pathways and only got to know Ed in the last days of his life, but he enjoyed looking at pictures of Corvettes with me and told me about his beautiful red one that he loved. Even when he couldn't express himself as well as he would have liked he would have a delightful sense of humor. I miss visiting him!
