“ I’m so sorry for your loss. I knew Elaine from CH2M HILL. She was just the loveliest person to know. She was always organized and considerate. No matter how busy she was, she’d always have time to stop by and chat. Her smile, voice and laughter are things I will always remember about her. It saddens me that she was taken so suddenly and too soon. However, she seemed to have lived a good and full life. I know there are other plans for her and know she is smiling down and her warmth will continue to radiate. I hope you find comfort in knowing that she had a positive impact on others and we all remember her fondly.

“ My heart goes out to all of Elaine's family. I worked with her for several years at CH2M HILL, and Elaine was always not just a ray of sunshine, but an entire summer of sun. She never complained, always had a smile on her face, and was always positive in her outlook. I was absolutely shocked to hear of this. Words really fail me. Rest in peace, Elaine.

“ I am so sorry to hear this. Bunny was always a cheerful person to talk with. I wish I had gotten to know her much more than I did. I am heartbroken for Danny because of this great loss in his life.

“ Dear Dan and Family, Bob and I met you at one of those crazy get-togethers at the Schmidt's'. Remember how long ago that was? Melissa was going to start Kindergarten the next day! She wasn't very happy about it. Year round schools don't make for happy kids. But Buns knew innately how to make people around her happy. Her smile, her love and her laughter is what I will always remember about her. I've heard it said that as long as you can still hear a persons' laughter, they will never really leave you. Bunny's laughter was a full out, head back, very musical laugh. I can feel the affect of her laugh even now. Try to remember that the pain you feel now is because she was so wonderful. The greater the person, the greater the pain. May this pain fade in time into pleasant memories. I will never forget Bunny, or any of you. Much caring in this difficult time, Toni Hembree

“ My sincere condolences to Elaine's family. It was my pleasure to have worked for Elaine for several years in the water group at CH2M HILL. Elaine was always someone that I could count on; steady, up-beat, optimistic, and always ready to help her co-workers. I will miss seeing her smiling face at our office.

“ Elaine Bunny was a dear friend to me, always making me laugh to where my stomach ached. Her positive perspective and thoughtfulness were refreshing, and it was obvious how much she loved her family and was devoted to them. I will always cherish Elaine and Dan’s visit to Durango this past summer knowing how crazy busy her life was. I’m honored that we called each other friends and will miss her deeply. My heart and love are with her family, as is Cindiman’s.

“ So very much, I wish that I had the right words to convey my heartfelt sympathy. The comforting words elude me. I speak for all of the Potters when I say, we are heartbroken. Our hearts have been so heavy thinking of the great loss felt by all who loved Bunny. Know that all of you are in my prayers. I was raised with the belief that God has a plan. We may not always understand the order of things, but we must have faith in His plan. This is very difficult for me right now. I like to think of the after life as one of infinite happiness, full of ones favorite things. I imagine Bunny smiling, laughing that laugh that only she had, drinking wine and gambling, watching over the loved ones left here. Though she is gone from our sight, she will forever be in our hearts. With all my love and sympathy, Maureen.

“ *Dan, My heart broke when I heard the news. We have known each other since our early teens and share many great memories like adult dinners, fourth of Julys when we all drank a little to much, long nights in the hot tubs and a yard full of empty bottles in the morning. Bunny was an amazing lady. I will never forget when she surprised me with a dozen yellow roses for my birthday. Evertime I see a yellow rose I will think of her. My life was defintaly made better buy having her in it. Hugs and kisses to you all Dan, Adam, Mellisa and Alexys. Love you all!*

“ Dear Dan, Adam and Melissa – I am so sorry to hear this news. Words have a hard time describing the emotions in this situation, but I did want to say what a pleasure it was to work with Elaine during my time at CH2M Hill. Elaine was a thorough professional with whom to work, and a friendly co-worker, ready with a wonderful smile and a cheerful greeting. I have found that sometimes it is fun to go to work because of what the job is all about; sometimes it is fun to go to work because of the people, it is a joy when both things happen together. It was a joy to work with Elaine. God’s blessings on you, your family and your friends.

“ Dear Dan, Adam and Melissa, I am so sorry for your loss. I worked with Bunny at CHFA for a short time and still have fond memories of her wonderful smile, the pictures she had of you on her desk and the loving way she always spoke of you. It has been a few years since I've seen her - and you - and can still recall the last time - at a 4th of July fireworks show in Littleton - when she made sure to bring me over to you to say hello. I pray for the peaceful repose of her soul and that the happy memories you have of her will sustain you through the years and help you endure your loss.

“ My heart of sympathy goes to the Family of Elaine Christine Kyle, she will be truly missed... One thing that helps me to deal or cope with losing a loved one is this Scripture Isaiah 25:8 reads: "He will actually swallow up DEATH forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces. The reproach of his people he will take away from all the earth, For Jehovah himself has spoken it. I hope this gives some comfort see www.jw.org
