“ Eldon has been a very special person to me since 2004. I first met Eldon when I worked for The Urology Center of The Rockies. I moved here abruptly from my small farming community where I had lived my whole life and knew nothing else. I really struggled to make a life here in Fort Collins. I didn't know a soul here in Fort Collins. I went through a very awful and hard few years in my life. Eldon had some very profound and inspiring Christian words for me. I thought the world of Eldon. I respected him and thought of him as a trusted friend. I now work for the Nephrology Clinic and hugged his neck every time I got to see him. Some people leave this earth and it is a worry where their heart is. Not with Eldon!! I know his heart belongs to Jesus. What a gift he gave his family and friends. I am gonna miss him and the friendship we had. My prayers and hugs to his family. Eldon talked about what awesome wonderful children he had. My heart goes out to each of you. Sandy

“ Eldon has been a very special person to me since 2003. With Betty his wife at the nursing home, I visited with Eldon everyday. I remember him sharing his stories about how he met Betty and asked her to marry him. I will truly remember him and his kind soul towards others. You have one of a kind of father for all of you to remember. I will miss him, as he reminds me of my great dad. In your thoughts and times like these. Kelly Smith

“ I will remember the wonderful times and talks we all had "on the deck" - sometimes it was termed "Jerry's Deck" but all of us residents of the Sanctuary Apts. had access to the wooden deck Eldon visited frequently. He was an excellent cook...everything Eldon shared with the rest of us during picnics on the deck was so good. I will miss him, especially as I sit on the deck this summer...sadly without Eldon and his wit and humor. God Bless each of your family members and just know - Eldon will be greatly missed.

“ My deepest sympathy. I work for RVNA and I did housekeeping chores for him for around three months. Not many men can say they "click" right away with us, but he did. He was truly a great man and now heaven has him. Thoughts and prayers are with the family. Bobbie.
