“ Del you are in our thoughts. I wish we were close enough that we could give you a hug, but we are in AZ right now. Just know that we are thinking of you and will plan on getting together when we get back. A tough time in our lives now, I guess that is why we must enjoy each day and treasure our many memories. “ Dear Del and family, You probably don't remember us but we have never forgotten you & Eleanor. We think of you & talk often about the superb service Eleanor always gave us when we looked for furniture. She was a joy & delight to work with & provided sincere, professional help with the greatest of integrity. The pieces we purchased through her are still in use & still represent the quality she fostered. We are deeply saddened by your loss & extend our sympathies to each of you.
