“ I was so sorry to hear of Ellen’s passing. We were in nursing school together graduating in 1960. As life got busy for both of us, we lost touch until our 50th anniversary from Hinsdale. That was a wonderful reunion filled with good memories.

I was able to watch her memorial service today and was inspired by the testimonies of her many friends and the pastor. The pictures of your life together over 64 years were special and spoke of a wonderful life together.

Our condolences to you and your family Hank, may God give you comfort and peace knowing that she loved our God and is awaiting Jesus soon return to take us home to dwell with Him forever.

Hank; I want to join your many friends and family in sending you my sympathy in the loss of Ellen, your precious wife and companion of 64 years! I was privileged to be able to watch her lovely memorial service today on livestream. The tributes spoken by her friends, the pictures and pastors message told of a life of service and dedication. May the blessed hope of Jesus’ soon coming and the wonderful resurrection morning bring you comfort at this difficult time for you and your family. And won’t it be special when you and Ellen and Forrest and I will be able to renew an old friendship at that time again! May God be with you
