“ We enjoyed knowing Elsie as she had a natural glow of kindness, laughter, and welcomed all that met her. I will always remember her kindness to our family when we moved out the rural area. We shared wholesome conversations at school functions and family gatherings that we attended. Elsie will be greatly missed. Please let us know if there is anything we can do for your family. With deepest condolences. The Rice's

“ John and family We will always remember Elsie's smile and cheerfulness. Elsie was a classy lady and we are fortunate to have known her and worship at Timberline with her. Each Sunday we would look for Elsie and John easy to find because they always set in the same pew because we knew they always had a smile for everyone. John and family, it is a difficult time because you depended on Elsie so much and she was a great influence in your lives. But we know that there will be a day of reunion someday in Heaven. We can look forward to that. We will see and laugh with her again. God bless all of you.

“ We are so sorry to hear about Elsie...have lots of good memories for all the years we were neighbors just down the road. Elsie & I made noodles with her awesome machine she had; have never made noodles so fast! Their house was always the first one for our boys to go "trick or treat" at & their bags were full when we left. She was a very giving person and we couldn't have had better neighbors when we farmed at Ft. Collins. She will be missed!!
