“ Eric was a wonderful friend and forensics duet partner in high school. I'm glad we got to reconnect through Facebook. What a great loss. I'm sorry.

“ To the Luscher family: It was my great pleasure to have known "Eddie" for almost three decades. He was kind, and good. I will miss his smile, as it was always so unexpected, you felt honored to be the recipient of it. I am deeply sorry for your loss, and grateful to have known him.

“ It was my distinct pleasure to have worked with Eric for the past 4 years. Many people talk about going out and 'living' their lives to the fullest, Eric didn't talk about it, he did it. Whether he was at work or at play he gave it all to the task at hand. I will miss this man.
