“ I was so shocked to see this in the paper. Even though we haven't worked together for awhile, I really enjoyed her company. Certainly the best time was when we went to Puerto Vallarta for our Christmas party. Erleyne and I took an excursion and even though I consider myself a pretty good shutterbug, she took some amazing pictures!! She will be missed. I only wish I could have seen her to let her know how much I cared for her. May she rest in peace and know how much she will be missed.
