“ We have many fond memories of the times we spent at No. 2 lake, water-skiing, with the Reigles family. We also lived in the South College Heights area on Purdue Road and are still there. We bought Erv's boat in the 1960's, which we called "The Zot." Would run into Erv at Country Buffet occasionally. Last time we saw him, his grand daughter Amie and her son were with him. He called out to us, "hey, don't I know you? Of course he did and he knew, that we knew, who he was -- the rascal. Had a great visit. Unable to attend services due to a doctors appointment. Arnold's has been battling a severe toe infection & lost that battle. The toe was amputated Thursday of this week & still @ PVHS. Our love and condolences to all of you. Keep all the good memories close, and perhaps even some memories of No. 2 lake and all the families like Glanz's, Benzel's, Schott's, Jesser's, etc.that had so much fun playing and skiing together there every summer.
