“ *Sending up prayers for the whole family. I agree with Pam... Aunt Sara & Mom was there to welcome him home. I will always remember the hiccups that came when he would eat his jalapeños like they were pickles. As a little girl that always made me giggle & I could never understand why he would eat them if they were so hot they gave him hiccups. You will be missed be many people. Give mom & Aunt Sara a hug for me. ❤️*

“ To the wonderful family of Gene, I am so sorry for your loss! I have so many wonderful childhood memories of Gene and Sara. Both were like my second set of parents. They were both very amazing and caring! I got to see Gene a couple years ago, and enjoyed the wonderful visit with him reminiscing of the old days. You all are in my prayers for healing! I love you all and God Bless!
