

## Eugene Mill

June 27, 1934 - March 14, 2013

Eugene "Gene" Mill Gene passed peacefully in his sleep in the early morning hours of March 14, 2013. It was a long fight with his Chronic Heart Failure and his COPD but he is at peace now and can breathe. Gene was born in Fort Collins on June 27, 1934 and lived there all his life. He was proud to be a native. He graduated from Waverly High School in a class of 3 boys and had great fun attending their reunions. He married Norma Baum on October 23, 1955. They both were too young but they grew together and were married for 57 years. They have two sons, Alan Jeri of Fort Collins and Kurt Cyndi of Grand Junction, CO. The boys gave them 10 grandchildren and he loved each one, but he had a special bond with Emma who was born here in Fort Collins and gave Gene much joy the past 10 years. Those grandchildren have now given him 9 great grandchildren with two more babies on the way. Gene is also survived by two brothers, Robert Mill and his wife, Karen of Morrison, Colorado and Everett Mill and his wife, Joanne of Lake Havasu City, Arizona. Gene worked as a car salesman in this area for 35 years. His last employment was with Dellenbach Motors. He loved that family and especially enjoyed watching Dick's children grow up and come into the business. He was still selling cars in his dreams. After Gene retired he loved to play cards, golf, bowl and fish. Gene loved people and knew no stranger. He always had a joke and he loved to laugh and play games, especially Bocce ball with his friends at Parkwood Estates. Gene was preceded in death by his parents, Fred and Elizabeth; sisters, Irene Edmunds and Lilly Jolley; brothers, Harold and Fred

Jr.; and a grandson, Patrick Mill. A private family memorial will be held at a later date. if you wish to make donations in Gene's name send it to Larimer County Humane Society who gave us "Zipper" who provided much pleasure and joy in the last few months. God speed "Papa", we loved you so. Friends may send condolences to the family at [bohlenderfuneralchapel.com](http://bohlenderfuneralchapel.com).

“ Norma, we are so sorry to hear about Gene's passing. Sorry just doesn't seem adequate enough to express our feelings to you and the boy's in your loss. God Bless and keep you in your grief.

“ Words can not express how saddened we were to see of Gene's passing. We have fond memories of visting with him and Norma when we would bump into them around town. He sold us our first car after we were married. We felt like we were buying from family and needed to pay the sticker price. We hope that your memories will give you comfort in knowing just how much he loved you.

“ We send our thoughts and prayers to Gene's family during this difficult time. He was a "great" car salesman, we know, he talked us into several. It truly was a pleasure to know him and his brother Fred Jr. Gene will be missed by many. Jerry and Donna Schott
