“ My name is Suzanne.... I was Gene's primary caregiver for the past 8 years. He was always an easy going kind of guy. In my earlier years with him, he liked getting out for walks and he'd even come with me to the laundry room to help! He always like to give me a hand in the kitchen. The past couple years he slowed down, but still liked our walks, playing checkers, laughing, and his favorite breakfast of biscuits and gravy!! We had a great repoir and friendship... he was alot like my own grandpa!

“ I met Gene Several years ago, when he first started coming to the PAMVET Breakfast Club. His granddaughter, marie would always accompany him, but he was pretty independent during the first few years.
I remember he always had the same smile all the way up to the the last Saturday I saw him a few weeks ago. It was one of i'm happy to see you. What a pleasant man Jean was and what a fighter to be able to get up every saturday and make it to breakfast, to see his fellow veterans and ring the bell to start the morning.
