“ *Evelyn was on my mind today so I checked the internet to see if I could find any information and found her obituary. I am so sorry that I didn't know about Evelyn's passing. Evelyn was such a sweet trusted soul who came to nanny for my 3 boys in 1989. She cared for my 3 boys as if they were her own and I know that her patience was greatly challenged many a time! I do not know what I would have done without her. She was a support to me in so many ways! Once she was in the nursing home I was able to visit her on occasion and take some sweet treats to her. Many times we talked about Jesus and I know that her faith and trust was in our Lord and I will see her again someday! To Evelyns family, " Evelyn spoke so wonderfully of all of you! She especially loved her Grandchildren!" To honor Evelyns life I encourage all of you, Children, Grandchildren and Great Grandchildren to continue to share the love of Christ as Evelyn did everyday! Evelyn, I will see you again someday! Thank you for your Love to my family! Lori*

“ So very sad to just have found out about Evelyn’s passing.  
I was lucky to have Evelyn as my nanny for the first ten or so years  
of my life, and she truly was a constant source of love and care  
each day. I will forever be grateful that she helped raise me. I have  
fond memories of watching her create all sorts of stitch-workings for  
her loved ones. She made several pieces to match my room, that  
my mom still has out today :)  
Sending love to the family.

“ We are sorry we missed Evelyn's funeral. Evelyn was an angel to our family. Being a single mother, going to school and working to make ends meet, I knew I could always rely on Evelyn caring for my children and never have to worry. They were always safe! She practically helped me raise my children, Yann, Sten, and Fabienne for several years, until they were old enough to take care of themselves. Fabienne was one year old when Evelyn came into our lives. Evelyn was kind, generous, very caring.

One vivid memory was one Christmas. I was still in school, with little money to spare, and knew I could not afford gifts for the children. During Christmas break, Evelyn asked some members of her church, who owned a children's clothing store in town, if I could work for them. I admired the nice clothes, especially a beautiful little dark velvet dress, knowing I could not afford it for my little girl. Two days before Christmas, Evelyn and the owners of the store came to our Aggie Village apartment with gifts of clothing and toys, and ... the beautiful little dark velvet dress! I was overwhelmed by the generosity of all these ladies. Needless to say, there were a lot of tears of gratitude. I had a picture taken of the children dressed in their beautiful clothes and it is still hanging on my wall 50 years later ... a grateful reminder of Evelyn and her special love for our family.

Later in the years, we kept in touch off and on, and when Evelyn moved into the Residence at Oakridge, we enjoyed a few breakfast dates with Tina at the close by IHop, one of Evelyn's favorite restaurants.

Evelyn will never be forgotten. She was special to all of us.

Pam, Raymond, Tina, and Marcia, my whole family joins me to offer you our sincere condolences. We are thinking about you during this sad time.

Yann, Sten, Fabienne, and Marie-Jo Hofmann

“ I am so sorry to have missed the funeral. My condolences to your family. Evelyn was a very special lady. She always had a smile and to put up with my two boys growing up that was amazing. I cherish the ornaments and holiday gifts she made for the boys and will remember her every time they are displayed. Please know that we loved Evelyn and though we did not see her much after the boys went to school, she was a valued member of our family for those few years. God bless and know that we are thinking of you during this hard time.
