“ To my stepdad's family. Words can not express how I feel about the lost of my stepdad, he was ALWAYS there for me "trough the thick and thin of things", he was always my BABY and always will be. When I heard the news of his passing, it broke my heart. Even after my mom's death, he was always there whenever I needed him. He never denied me. I love my stepdad so much. I will keep close to me in my heart. I Love Baby forever and always. Love you Tina Baca

“ My condolences go to the Gonzales family .. Fidel was a good man, he took me in when I was in my early teens. I have so many good memories of him and the farm. He taught me a lot. He would work all day but yet take time out to take me into night school to make sure I could get my GED. He always made sure I had what I needed not to mention the animals he would bring home.. We would go dancing and drive around in the truck on the farm laughing and having fun. I am so thankful that Fidel was a part of my life. He will be truly missed. Thanks for being such a good stepfather.. Rest in Peace.. Love you..

“ My condolences go out to the Gonzales family on the loss of their father, my Stepfather Fidel. He was truly a wonderful man. He was a large part of our lives. Such a gentle soul. He was a part of the lives of my family for over 40 years. Fidel loved to dance. I would visit him and take him out dancing and that man could dance. All night if they had stayed opened that long. When they lived at the farm we would all go rabbit hunting. What fun riding around in that old truck. I learned to shoot a gun. He would laugh at me because I would wish the darn rabbits would run away. The kids felt like they had their own pool, because we would go tubing down the irrigation areas. eemed like miles of water. He brought lots of joy to those that he loved and I know that I am one of those people. Six years have gone by since my Mother's death, six years of not seeing Fidel. I am sorry for that, because he meant alot to me. I remember when I gave him the Camaro, he was really excited. We would take that when we would go dancing, he sure fixed it to run like a new car. We are very lucky to have had him in our lives and the stories we could all tell would keep us laughing for days. Fidel save me a dance up in heaven, until we all meet again. God Bless
