“ FRANK, I am sad that you have left us too soon.I am still wearing
the bracelet you gave me over 20 years ago. I will always remember
how we used to dance each others socks off. And I will never forget
that you gave me the first dozen roses I ever got.Actually there were
only 11. When I told you, you told me I was the 12th rose.I will
always remember all the fun we had. I will see you in heaven. Love
always.... Kerri
