

Geoffrey Jay Beck

May 23, 1960 - January 2, 2015

Geoff Beck, 54, of Fort Collins, passed away Friday, January 2, 2015, at Poudre Valley Hospital after a brief illness. Services will be held at Bohlander Funeral Chapel in Fort Collins at 2:00 p.m. on Friday, January 9, 2015.

Geoffrey Jay Beck was born on May 23, 1960 in Brush, Colorado to Doris Annette Gray and Donald Eugene Beck. In 1965 the family relocated to Fort Collins, where Geoff went to school, graduating in 1978. Geoff started off working at Wags in the Foothills Fashion Mall. He then worked for many years at South College Liquor, tending bar at Mulligan's, and finally settled into sales for Beverage Distribution Company.

A few short paragraphs cannot do justice to the character that Geoff possessed. Whether you knew him for five years or five minutes, it is a guarantee he made you laugh. His illness was still not enough to keep him from wiggling his eyebrows at the nurses and pleading for help whenever Scott wanted to try out new jokes on him. While he never achieved greatness in his golf game (losing to his grand-niece), it didn't stop him from trying. Geoff loved music and anyone who knew him will never be able to hear Bob Dylan without thinking of him.

Geoff would readily admit that he was surrounded by wonderful friends and family – loyal, compassionate, and caring. He was much less willing to admit it

was these exact qualities that he possessed; and that is what attracted everyone to him. Geoff was cared about by many, but he cared for all.

He is survived by his brother (Neil) and countless nieces and nephews. He is preceded in death by his parents, sister (Nancy), and grand-nephew (Brandon).

In lieu of flowers, the family would like to ask those interested to make a donation to Leukemia Research in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, Colorado 80524.

“ So sorry to hear that one of the best has passed. Geoff worked for us at Mulligans and was not just an employee, but a good friend. We can't think of anyone more pleasurable to have worked with and are thankful to have had the opportunity to know this fine a person.

“ Over 3 decades of having your incredible personality and goodness is not easy to let go of. You have truly touched so many lives with your ability to make us all smile and laugh, no matter what the circumstances were. The amount of friends that you have with you today that you had 30 and 40 years ago is amazing, and speaks so loudly about how you were. I am still not believing you are gone and struggling to say goodbye. You were a true angel that blessed everyone who had the honor of meeting and knowing you. I am still praying for your family and all of your friends that have to be feeling the same way as me, it is such a loss for all of us. Rest in Peace Geoff, I miss you so much already and you will always be with us in spirit and in our hearts.

“ We are so very sorry over the loss of your dear brother, brother-in-law and uncle.

I have many memories of Jeff and the other boys playing football in the back yards, as we lived next door to the Becks. I was in and out of the Becks' house nearly every day, as they were in our house. It seems like yesterday, but know the years have passed and we are all older and now Jeff has joined his family where God takes care of them all. Sending my love to all who now mourn.

“ Geoff,
Still cannot believe you are no longer here. But you are here-we just need to look for a smile or listen for a laugh or look for that face that brightens a room. Then you will be with us again. It is my honor to call you "friend". Rest in Peace.
