“ We hadn't spoke in a very long time, life gets crazy, and people get in the way. I will always have great memories with you and your girls during the summers between Nebraska and Colorado. You taught us how to fish and how to take cover from "tomatoes". You made the best tamales I ever had! I hope you are at peace and no longer in pain. Rest in Heaven.

“ Dad as Gina said, being by your side watching you take your last breath, was truly the hardest thing I have ever done. But I am at peace knowing you are no longer in pain. You can breath easy and are rejoicing with family. I will miss you greatly. I love you. Watch over the rest of our family.
