“ *Memories are forever and I am so glad I have them as she was an amazing woman that never had a dull moment. I remember her last visit to Seattle and how we stayed up all night and gambled at the Casino, how she loved us taking her to Jimmy Mac's and getting the free T-shirt. How she could save, save, save but when it was time to give she gave everything. I will miss her art work and how she could just whip out a pencil and paper and start drawing. How she loved her grandkids so so much. I will miss her surprised look when we did a surprise visit. Her expressions were priceless. These memories will always be a happy place for me. I will miss her so much but her memories are here to stay. She made an amazing mark on me and as I am cleaning house and doing what it takes to raise 5 kids-do the laundry, the housework, run kids everywhere, and still try to enjoy my hobbies (for me soccer) - (for her casino and bingo) I realize she had a huge impact on me of who I am today.. Thank you for that Aunt Gerry. You are now with lots of your family and you will watch over all of us as we complete our journeys here on Earth. With Love- Your Niece-Sarah Andregg*
