

Gerri Rene Thompson

August 12, 1967 - September 2, 2024

Gerri Rene Thompson, 57, passed away on September 2, 2024, in Ft. Collins, Colorado. Born on August 12, 1967 in Omaha, Nebraska, to Larry and Evelyn (Rawlings) Thompson. Gerri dedicated 33 years of her life to UC Health Poudre Valley Hospital in Fort Collins, where she was a respected Team Lead in the Admitting Department.

Known for her deep love for dogs, Gerri was always in pursuit of the perfect canine companion for her family. Her son, Keegan, was the center of her universe, and she cherished every moment spent with him and her husband, Steve, family and friends. Gerri celebrated life daily with her favorite iced mocha coffee from the Coffee Cart in Ft. Collins, a small yet significant ritual that brought joy to her everyday life.

Gerri attended school in Ft. Collins and graduated from Ft. Collins High School in 1985. She was married on June 24, 1995, to Stephen Michael Harris. The beaches in Florida called to her when she visited family in Sarasota. She loved the warmth of Hawaii, and she also loved to see the Elk and Moose in the Colorado mountains.

She is survived by her husband Steve and her son Keegan; sisters, Cherry (John Cathey); Tami (Doug Unsen); brother, Eric Thompson (Amanda); and many cousins, nieces and nephews.

Geri's life will be remembered for her unwavering dedication to her family, her career, and the simple pleasures that brightened her days.

We invite you to join us in celebrating Geri's life at 2 p.m. on Saturday, September 28, 2024, at the Vineyard Church of the Rockies located at 1201 Riverside Avenue, Fort Collins, CO 80524.

In lieu of flowers, donations can be made in her honor to Bounce Animal Rescue (or a rescue organization of your choice) or the National Scleroderma Foundation.

“ I had the privilege of working in close proximity to Geri from the early 1990’s to 2011. I saw patients in PVH Preadmit, and with Geri being an Admitting Team Lead right across the hall, she was always my “Go To” person to seek out whenever I had a question regarding a patient’s registration, etc. I could always count on her efficient follow-up with amazing attention to detail. I was lucky to see her just a few months ago, as I came through Admitting. I know she will be missed by so many. Susan Martin

“ Geri liked my artwork. When I would visit her, I would see my paintings on her walls I adored Geri and it made me happy that we both got happiness enjoying the same paintings. Jean Philbrick
