“Peggy, Bill, and Jack, Bob let me know this morning about your loss. My heart is very sad. I thought the world of Trudy and learn so much from her. She was such a Godly women. We all had great times and have wonderful memories especially visiting them in Melbourne Florida. I believe with all my heart that through knowing Jack and Trudy and their wisdom, knowledge and love for God that they have helped and blessed so many people and for our family I know that is true. Again I am very sorry. We will keep you all in our prayers. May God Bless. Love Lisa.

“Peggy, Bill and Jack, I'm so sorry I did not get to see Trudy and Jack in the last few years. I spent many hours learning Gods rules of life from the two of them. Visiting them in Melborn, FL. and looking at arrowheads in the travel trailer. I never have known a lady who knew the bible better. She could put a practical application to any biblical answer. Ill miss her and her wisdom terribly. BigBob
