“ Hello Mary, Pod, Ted and Nathan, and the rest of the family, I know three of you do not know me, but I'm sure Pod remembers me. I'm Mike King. I grew up with Gordo, as I called him, and lived a block away from the Hill's over on Smith Street. My Mom still lives in Fort Collins, and informed me of Gordo's passing as soon as she found out. I was very sad to get to news, and unfortunately, I did not receive notification until after the service. I am sincerely sorry for the loss of your husband, brother, and father. I wanted to express my deepest sympathies to all of you, and please know my thoughts and prayers are with you. My entire family, including my two children, are very familiar with Gordo because I have shared so many wonderful stories with them. We may have been a little mischievous at times, but we really did know the line that would find us in too much trouble. Gordo will always be my best friend growing up, and memories of him always present on my mind.

“ I am sincerely sorry for the loss of your husband and father. Gordon has been a wonderful friend for these many past years. He was gracious enough to rescue my corvette for me upon the closure of The Vette Shoppe and volunteered to help me restore it over time. He had been a very giving person to have helped me after the death of my husband to help me honor my husbands last wish of restoring the car. I will always remember Gordon for his giving, graciousness, and love of cars. My sincere condolences to Gordon's family and if I can ever help any of you in any way, please don't hesitate to contact me.
