“ *Many wonderful memories with my Aunt Grace. After moving from Denver back to the country we shared morning coffee, goodies ,and good conversations along with all of us who lived in our neighborhood. She insisted throwing a baby shower when pregnant with Cort, my 3rd baby. I really tried to talk her out of it as thought alot of work for her and this was my #3..She went all out and what fun we all had. Thank you Aunt Grace. John, Tom, June and Alice Jean, and families i send my prayers to all of you. How lucky you and her had so many great years to share together. Sent with lots of love. Hope all of you can share a beautiful Christmas together.*
