“ I only knew Gretchen for about 5 years and enjoyed her company and laughter at Steve and Army's neighborhood gatherings. No doubt she's laughing with the Angel's in Heaven.

“ My loving sister was there for me in a happy childhood and difficult teen years. We were maids of honor at each other's weddings and she was there to support me when my husband was flown to Salt Lake City for heart surgery. Don, you have my love and support during this difficult time for you. Karen Horst
