“ A year ago today was the beginning of the worst thing we've ever been through. Lupe I thank you for the joy you brought to our family. I thank your family & friends for raising you to be someone with a strong work ethic who never took on any task without first putting on a smile. We think of you every day. The kids are sending some balloons off in your honor after school today. Wryston says he knows you'll catch his. RIP Lupe, until we meet again.

“ Lupe, You were an amazing friend. Your soul is full of love. We used to sing "gangstas paradise" together all the time, and I know that you are in the true paradise now. Only the good die young... God needed you on the other side. Rest in Peace Lupes. We love you, and will NEVER forget you.
