“ Dear Lisa, Wade, and family, Our hearts go out to you and yours. We know the loss of a child is so heartbreaking. All the hopes and dreams for that child are gone. I remember holding Hailey on my lap for a whole afternoon at Frank and Mauries house. She was the dearest of children and as beautiful then as now. What a loss. Love, Tim and Carol Murphy

“ Hi Lisa, words cannot express the loss you have experienced. I am so sorry Hailey made a terrible mistake and it cost her, her life. We have all made terrible mistakes, but for some reason we were spared. I don't know why God allowed this happen and why Hailey didn't get a second chance. I'm asking you to trust the Lord until He has a chance to prove His love to you again. I trust Him that created Hailey to take care of her even in death and to someday give us His reasons and purpose for all this that happened. For us that are left behind to pick up the pieces and move on...this is the hardest thing... let the rest of us help you carry the burden of not understanding and living each day carrying Hailey in your heart with the life and the joy she brought to you. I will be there for you toowhenever ...whatever....mark

“ I have known Hailey's paternal Grandparents since we were in High School in the 60's. Judy and Allan were some of my best friends. I got to meet Wade and Dawn, during their visit to Puerto Vallarta a couple of years ago and saw them again this summer when Judy and I traveled to a reunion together. Hailey was very loved and talked about frequently. What a beauty she was and I could tell she held a special place in all of your hearts. Please know how sorry I am and I think of all of you frequently during this. My prayers are for all of you to have strength and to cherish the wonderful times you had with your beautiful Hailey.
