

## Harold L. Glass

February 11, 1922 - April 14, 2010

Harold L. Glass, 88, of Fort Collins has passed on April 14, 2010 at his home, our WWII Vet and Hero. Harold was preceded in death by his mother and father, four brothers, one sister and the mother of his children and first wife, Helen; the second love of his life, Jeanette; and Robert Stroh. He is survived by children; Harold J. Glass Jeanne and three sons, Sean, Phil, and Chad in Aurora, Colo. Mary Evans Richard in Pueblo, Colo., and her son, Mark; and 2 grandchildren, Chelse and Chase in Monte Vista, Colo.; Roy Glass Linda of Fort Collins; Becky Brown Charlie of Fort Collins; their son, Patrick Veronica and 2 grandchildren in Pueblo, Colo. John Glass Shirley and their three children, Brent, Mack and Willow; 8 grandchildren, in Alaska; Brenda Eberle Ray in Brighton, Colo.; her three children, Josh, Nick and Terra in Fort Collins and Loveland; Trudy Armstrong Tony and their three children, Amanda, Morgan and Justin; and 2 grandchildren in Fort Collins; Bob Stroh Bonnie and three children, 4 grandchildren in Denver; Tom Stroh Roxanne of Parker, Colo.; three children, and 2 grandchildren; Elizabeth Stroh and her son in Fort Collins; and Carol Recor in Washington State. Dad has 21 grand children and 19 great-grandchildren that he loved. Harold was born in Peckham, Okla., in 1922; he was one of 6 children born to Mary Fischer and John Glass. Dad's family moved to Newton, Kansas in 1927. Dad met Helen Valdez in Colorado and married her before he was drafted in the WWII against the Germans, at the age of 18. After he was deployed he came home to an 18 month old son, he and Helen went on to have 6 more kids together in Colorado. In 1967 he

moved to Fort Collins as a single man, and worked for CSU until his retirement. Dad met Jeanette Stroh and fell in love, and they married in 1969. Together they had a family of 11 children, seven of his, four of hers. Dad passed away with respect, dignity and grace from a worn out heart. Because he was in our daily lives so much we have cherished memories with him fishing, camping and enjoying the things that meant most to him in his life. He loved to laugh, make friends, go to church and be with family. Dad had so many stories and adventures in his life that we had to start recording them with pictures, videos and finally a biography. Dad had a way of making life-long friends; people were drawn to him. He touched them in such a way that he was irresistible. He made every effort to stay in touch with friends and family. As much as his friends meant to him, he didn't realize what he gave back in return. He had many nick-names for us, and we knew him as "Papa, Buster, Jackson, and Grandpa". His newest adventure was the Skype camera on the computer. The last thing to say is "what a ride" dad. Viewing will be held 2 to 4 p.m. Saturday and 2 to 7 p.m. Sunday with the Rosary at 7 p.m. at Bohlander Funeral Chapel. A Mass of Christian burial will be held at 10 a.m., Monday at Blessed John 23rd University Center, 1220 University Ave. Interment with Military Honors at Resthaven Memory Gardens Cemetery. Contributions may be made to Pathways Hospice for Harold Glass in care of Bohlander Funeral Chapel 121 W. Olive, Fort Collins, Co. 80524.

“ To my Family, What a wonderful experience it has been to be in a family of 7 kids with a Dad that kept us close and safe. He showed his love in many ways but the best of all was he always wanted to be with us. Family dinners were his favorite, the more the merrier and the fishing trips were remarkable. Dad always managed to catch the first fish, even if it was only an inch long. Please remember him in your prayers, it was such an honor to be with him and help in pass into Gods kindom. We miss you Dad but are at peace in our hearts your new life of eternal happiness with God.  
Love, Becky

“ To the Glass Family, I will never forget Dad's smile, his laugh, and his unconditional love for his family and friends. Though distance and circumstances came between us, I always had a special place in my heart for Dad and always will. My prayers are with you all as you celebrate Dad's life. When I sing this song, I think of Dad today: Fly like a bird to the Lord, my soul. I want to soar like an eagle. Though I may journey far away from home, I know I'll never be alone. Love, LaRee

“ To all of you - Your Dad "adopted" me when Becky and I were in college. He certainly didn't need any more kids - but took on the role of second father to me. My earliest memories of him include our "visit" to your house for college days and your Dad waking us early to "eat a healthy breakfast of eggs and pancakes" after a late night of partying!! He certainly had our number!! Thank you Harold and thank you to the entire family. I have a lifetime of memories. Sheila
