“ *Aunt Carol, I remember Uncle Earl Honey as a sweet, fun man, with a great witty humor. He was the first to ever take me sailing, at Horse Tooth Resivore, back in the seventies. Later in life I have fond memories of his incredible laugh. Robin and I were so glad you made it to the wedding. So sorry for your loss.....thinking of you with much love. Chris Telfer*

*Carol, The memories go way back -- all of them very happy. I remember Earl studying for his PhD and all of us being so proud of him. He was a fine, brilliant and fun man that made our lives richer by knowing him. He will always be Uncle Honey to my family. My heart aches for your loss. My love to you. Kay Lightner*

“ Carol, I am so sad to hear about Earl. For some reason, I was thinking of you two just the other day, wondering if you were still in Fort Collins. I am remembering some meals and watching a football game at your house, how Bob enjoyed your company, and your support after Bob passed away. With Sympathy, Sam Burnham
