“ Grandpa Harry - I remember all of the wonderful memories with you growing up as a child. I only wish I had taken the time to get to know you more, and you will be greatly missed. I have comfort knowing that you are still with us in spirit - you are the wind in the trees and the reason why the sky is blue. You are the strength of the mountain rivers and the colors of the earth. Our family will always remember your laugh and you will never be forgotten.

“ Our heartfelt sympathy to Harry's family. First came shockwaves, followed by a flood of cherished memories. As cousins, our childhood & adolescent years were filled with bountiful Sunday family dinners, etc. We continued sharing family milestones as adults. Harry & Marian could be counted upon to travel & be there! Card games were always a must! A special memory is Harry's "hurrah" before leaving for the Air Force. He, Uncle Clarence, Aunt Lindy, Arlene & myself had a great time @ Nebr. State Fair. We have numerous warm memories of living across the street from Aunt Louise @ Ft. Collins for 8 years during Chuck's Vet. School studies. We shared Lemmon family events. Harry leaves fond memories in our hearts & a hole in the family circle. Rest in Peace. Love & God Bless Chuck & Carolyn Francis

“ Our deepest thoughts and prayers are with your entire family. I pass along a poem I attached myself to after my parents passed away. *A Fallen Limb..... A limb has fallen from the family tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls I miss you all dearly, so keep up your chin. Until the day comes we're together again. ~Author unknown~ We love you Uncle Harry!!!
