“ To the family of Herb Stewart, Sorry to hear about Herb. I was the twenty year old kid that worked for your dad and Paul Kane for two years. Your dad and I hauled over 500 hundred head of horses out of that area to South Dakota. 300 head at Laramie Wyoming and at least 225 head out of Fort Collins, Berthoud, and Loveland area. The 300 head out of Laramie were true mustang. Blood thirsty. What memories. At noon Herb would go in cook dinner and then watch some Soap Opera. This was a daily ritual. At Fort Collins I stayed with Paul in the Holiday Inn. I had to drop you a line and condolences. Them two years of my life were definitely two of the most interesting. For a twenty year old kid it was quite a ride. Deepest sympathy, Tom R Seaman Lakeview Ranch
