

Hermie Corns

November 2, 1940 - April 2, 2023

We are deeply saddened to announce the passing of Hermie Corns on April 2, 2023. Hermie was 82 and is survived by his wife, Monya Corns; daughter, Toi Screnci, son, Craig Corns, and five grandchildren. We mourn the loss of such a prominent member of our community. Hermie served his country for 22 years and rose to the rank of Chief Master Sargent. After retiring from the Air Force, he spent the next 20 years at Platte River Power Authority, fulfilling their mission of providing reliable and environmentally responsible energy throughout the region. Not one to be content with retired life, Hermie nurtured his true calling: coaching girls' volleyball. From the Boys and Girls Club, to Preston Middle School, to club volleyball with Premier, to ultimately launching his own non-profit Legacy Volleyball Academy; Hermie had a passion for shaping young athletes into the future generations of women's volleyball players. When not coaching volleyball, Hermie loved travelling to exotic places - eager to explore different cultures and cuisines. He also enjoyed fishing and spending time with family. Hermie will be honored and laid to rest at Grandview Cemetery on April 13, 2023 at 3:00 PM.

“*Hermie was my daughters volleyball coach at Preston just before the pandemic. Really didn't know him well, but it was amazing to see what he was able to do with a group of kids with various levels of skills and pull them together as a team in a matter of weeks. That team went undefeated, not even losing a set! He was a tough coach, but he taught the kids a lot about working hard. I cherish those lessons for my daughter. He may be gone, but his spirit lives on in those kids. Thank you Hermie.*”

“*While I was a cadet at the Air Force Academy and the Prep school with his daughter Toi CMsgt Corns or as I referred to him - poppa Corns along with Momma Corns took me in as their “second daughter” I was a part of the family and thanks to the kindness, guidance, mentorship and love - he made a challenging chapter of my life bearable. I'm glad he got to meet my family and so sorry he's gone. Sending love and prayers to Momma Corns, Toi and Craig.*”

“ Sincere condolences to the Corns family. I had the priviledge of assisting Hermie with Legacy Volleyball Academy's accounting, tax and payroll needs. He inspired me from the first day I met him. A classy gentleman, with a passion for excellence and sports. I will be missed by many. Gabi

“ *Deepest condolences to the entire Corns family. I remember when Mr. & Mrs Corns visited with us in Atlanta many years ago with my in-laws (Mr. & Mrs. Richard Taylor) and we had a great time. Mr. Corns made apples for us, during their visit, and we enjoyed the fellowship. That's how we'll remember him!*

“ *Hermie was my racquetball partner for many years going all the way back to the 1980s. He beat me most of the time but he was so much fun to play. Then there were the many years of our weekly Saturday night card games. In addition to being a shrewd card player, his quick wit and sense of humor was second to none. And how can we forget the 20 years of the Big July 4th bash. In addition to the fireworks, Monya's world famous potato salad was a hit with everyone. Although we moved to Florida 10 years ago, we think of all the good times we shared.*

“ *I was so sad to read of Hermie's passing. I worked with Hermie for many years at PRPA. He was much more than a co-worker.....he was a mentor and trusted friend. We lost touch over the years, but it is with great fondness that I will always remember him. Thinking of you Monya, and family, with love.*

“ I had pleasure and honor or working with Hermie when I was AD at Collins. Hermie was our assistant coach and a guy that really cared for the kids! Later Hermie became a friend, and I always loved running into him at Health club and hear about his new VB endeavors! I am very sad to have heard of his passing, but know he will be active in the VB community above. Hermie you were a great soul, God Bless you and your family!
