“ Dear Frank Family, We were saddened to hear of the recent passing of our friend Hollis. We share your grief during these difficult times. We have so many fond memories of our association with him as he built his business in Fort Collins. He was among the top service persons in the area. He was always prompt in his response to our call for aid and assistance. We enjoyed his personality and reveled in the many great stories of our lives here in Northern Colorado. We'll really miss him, but are comforted to know that his children and grandchildren are carrying on the business he founded. Our sincere sympathy to all of you.
