“ So many happy memories when I think of both aunt Iris and uncle Wayne! My memories contain very special times playing card games, darts at Leon's Waffle Shop, letting me stay with them while I finished my BSN at UNC and of course her amazing talent playing the piano, organ and accordion! What an honor to have her accompany me and my dad Milo singing duets on many occasions! She always had a positive attitude and smile that would lift your spirits. I will miss her!
