“ My condolences to the family. It was a blessing to have known Isaías and Inez. They were there for me when I needed them. I met Isaías during my pre-teen years. My kids know it was through him that I learned some important ‘family’ characteristics that have been passed on to them, and hopefully to our future generations. Most importantly, I am so glad to hear he was at peace with God, and I trust we’ll meet again. Daniel Méndez

“ Sorry to hear aboutt Lee's passing...I worked with him for about 20 years before his retirement. I will say that he helped me early in my career and a lot of the things that I know are because of him and his diligence to his profession. I myself am close to retirement now and some of what he taught me has been passed on to the next generations of railroaders so in that sense his spirit lives on here..again my condolences.

“ Our family met Isaias through our brother-in-law, Joel, and our sister, Annette. He continued his role of father-in-law to Annette after Joel died and we are happy that she in turn took good care of him until his death. We also know that Isaias missed his wife and son terribly and now they are all together again. We send our condolences to Joel's wife, Annette and the Garcia family. God bless you, Isaias.
