

Jack Christopher Borrett

May 19, 1976 - June 11, 2022

Jack Borrett

He ran the race and finished the course with grace and humility.

Jack C. Borrett was born May 19, 1976, and raised in Fort Collins, Colorado. After graduating from the University of Nebraska-Lincoln (brainwashed by his dad that there was no place like Nebraska), he worked a short time with Sofa Mart as a store manager. After living in Lincoln, NE, Flint, MI, Denver, CO and Springfield, MO Jack realized that there was no better place to live than in Northern Colorado.

He joined his dad, Ken Borrett, selling insurance to churches for Brotherhood Mutual. What a gift for both of them to work together. Jack had just taken over Ken's book of business when Ken retired last January.

A highlight for Jack was participating in giving his dad a memorable retirement feast with beautiful tributes by him, his brother Tad Borrett, Dan Book Vice President of Marketing for Brotherhood Mutual and John Korsmo owner of American Church Group of Colorado-Wyoming.

Faith, family and friends were Jack's priorities while Nebraska football games, jogging, golfing and fantasy football competitions with friends were his

passion. As a tall, gentle giant (6'7"), with a ready smile, a resounding laugh and deep bass voice, he never needed business cards to be remembered by. After dealing with seizures throughout his life, Jack passed on June 11, 2022, from one. He is now free from epilepsy.

Jack is survived by his parents Ken and Kay Borrett of Fort Collins, CO; brother Tad (Tammie) Borrett of Severance, CO; nephews Ryan (Kaitlyn) Borrett of Greeley, CO; Jeff Borrett of Kansas City, MO; niece Lauren Borrett of Severance, CO; two great nephews Kenny and Miles Borrett of Greeley, CO; Uncle Dean Anderson of Fort Collins, CO; Aunt Kay Nelson, cousins Susan Hayward and Joel Nelson all of Colorado Springs, CO.

Visitation will be Thursday June 16, 2022, at Bohlender Funeral Chapel, 121 W. Olive St., Fort Collins, CO from 9am – 4pm. A memorial service will be Friday June 17, 2022, at Timberline Church, 2908 S. Timberline Rd., Fort Collins, CO at 2:00pm. A cookie and coffee reception will follow.

In lieu of flowers, contributions may be sent to Epilepsy Foundation-NORD (National Organization for Rare Disorders) 8301 Professional Place, Landover, MD 20785-7223.

“ *Dear Kay and Ken,*

George and I were so very grateful to have a call from Genell letting us know of your loss of Jack. We are devastated for you, and we can only imagine the pain you feel right now. We remember Jack from the day the Sioux City gang met for hamburgers here in Denver, and he sat next to me. Yes, I do remember this tall handsome guy with the deep voice, and I know and saw how your pride in him.

Please know you and your entire family are in our prayers. We care.

“ Ken and Kay,

I am so sorry to hear the news of your loss. While many years ago, I remember Ken, the day you brought Jack to meet me in my office. Knowing his parents as well as I did, I was not surprised that Jack was such a lovely young man.

My thoughts and prayers are with you and your family

“ *The booming voice and tall stature disguised the soul of a gentle giant. I remember the wee one running around seeking to be included with the big kids at family gatherings. When we moved back to Colorado and had the chance to experience the adult and very tall Jack, he was such a positive light. I remember after one gathering he made the point of complementing our kids, several times, to us and them. It made this dad proud and appreciative of his ability to notice and go out of his way to highlight the positive. He had such a burden to carry with his epilepsy, but he was a champion in the fight and in life.*

“ Dearest Jack, the last little squirt that grew up to be taller than us all. I have loved you since the day you were born. My parents were honored to be your godparents. The mischief you would get into and probably get away with most of the time are too numerous to count. You showed the world kindness, empathy and the meaning of what a relationship with God can do for your life. You know in my family there is never a rum ball consumed without your name being brought up!!! Please give my Mom and Dad and Scott a big hug for me. When we meet again, we will have that long overdue dinner we kept meaning to plan. GO BIG RED.....it pains me to say that.
XOXO

“ Jack was instrumental to me and our ministry in helping us gain the coverage we needed to protect our ministry, our students, and our counselors. I enjoyed talking to Jack, and truly knew he cared about his clients. He will be a great loss for the churches and ministries he served, but we are thankful that Jack loved and knew Jesus. Many prayers for his family.

“ Look up "great guy" in the dictionary of life & you will find Jack Borrett at the top of the list.
It was always uplifting to see Jack & his smile was worth the experience, in itself. He will be missed but God has a new "great guy" to chat with & he will not be disappointed. God bless his wonderful family.
