“ Dear Harry, Joe, and families,  
Greetings from Incline Village, NV, where I'm helping out my cousin for a week. When we returned home tonight and I saw news of Jim's death, I was truly shocked and saddened. I have plenty of happy memories of working in my yard with him, watching as he carefully trimmed flowers and paid such special attention to the landscaping. He truly had a gift for that work, and he took great pride in it.

*It's good to remember those happy memories that bring a smile to our faces (one special memory is Jim told me my mashed potatoes and gravy were the best!!) He was always appreciative when we sat down to a good meal together!*

*Blessings and comfort to you all as you mourn Jim's death. I look forward to giving you all hugs when I see you again.*

*Karen Boehler*
