“ I was school mate of Jim at Colo A&M in the Forest Utilization program and was glad to see him five yrs. ago at the 50th anniversary celebration. We have some fine memories of those years under Dr. Harry Troxell.

“ *I am saddened by the passing of my friend and fellow classmate. Jim and I were in the same class at A&M in Forestry and Wood Science. This past fall I visited Bob Marshall Camp in the Black Hills and thought about the fellows who went there for our final spring camp- Jim, Ron Barger, Rod Wilson, and many others. Jim was always a superb student and very professional in every way. In later years we would occasionally see each other and it was always a great pleasure to visit with him. He will be missed. May God grant you comfort and peace, Denny Lynch - Professor Emeritus of Forest Sciences, CSU*
