“ *Scott and family, I am so saddened for you all and all that new Jan. She was a very special lady and always had a special place in my heart. She always made me laugh. Although we have not seen each other a lot in the past three years, we kept In touch via email. She always gave me great advice. I love her and will miss her so very much. May God give you all strength and peace during this very difficult time. Love, Lucy Antonelli*

“ Jan and I had a favorite song that said it all about our friendship even after we went our separate ways. It was called "Thank You for Being a Friend".

Your heart is true your a pal and a confidant,
And if you threw a party
Invited everyone you knew
You would see the biggest gift would be from me
And the card attached would say
Thank you for being a friend

Jan's favorite flower was the Honeysuckle and to this day when I smell that flower I think of her.

My thoughts are with her sister Elizabeth (Betsy) as I knew her and the rest of Jan's family.

You will be missed my friend, Vicky

“ Jan was such a beautiful warm person. She was an adopted sister to me and we shared so many fun memories in bell choir, women's retreat, and working together on many projects. She was a very talented lady and will be missed by all. My prayers are with you Scott as you remember the love you shared with Jan. Hold on to your memories, and let them guide you during this time of sadness. She is not alone and neither are you.

“ Scott and family, I'm so sorry for the terrible loss that you must feel. I know my world is definitely a little less bright without my friend. Jan told me that someone once told her that she and Nancy made their home “sparkle”! I will miss Jan's “special sparkle”, her smile, her willingness to always help no matter what it was and her hugs. She was one of a kind- one of the very best kind. My heart goes out to you and so many of us who will miss her so much.

We all have lost a very special person in Jan. She was a true friend. We shared so many wonderful experiences. Camping together with our husbands, friends and dogs, checking out those perfect camping spots beforehand. Canning fruits and vegetables after picking them at a farm, sharing margaritas on every birthday, many morning walks with our dogs and so much more. We took on some crazy cleaning jobs now and then and as hard as it could be she would turn them into something fun. I could trust her with anything. I miss Jan every day. What a beautiful person she is and was and I am so grateful I had so many years of her friendship. Our prayers go out to you Scott and your family. May you find peace in all your loving memories. We love you.

We'll be traveling next week so won't be able to attend services but want you, Scott, and the family to know we'll be thinking of you. It was a joy to know Jan and to share our quilting projects. She left us far too soon but she left fond memories behind.

I stood watching as the little ship sailed out to sea. The setting sun tinted its sails with a golden light. And as it disappeared from view, a voice at my side whispered, "she is gone". But the sea was a narrow one, and on the furthest shore, a little band of friends had gathered to watch in happy expectation. Suddenly, they caught sight of the tiny sail - and at the very moment my companion had whispered "she is gone", a glad shout went up in joyous welcome with the words "Yes! here she comes!"

Scott, I'm so sorry for your loss. You and your family are in my thoughts and prayers. Your old neighbor, Jeannie Waskom
