“ My condolence's to Janet's family. I share your loss as she was a very special lady and a wonderful friend! Janet was a special part of our church circle and I have had the pleasure of playing many bridge games with her. As a "self-made lady" she was always so willing to support others in various ways. Always a cheerful giver, she helped so many! I am sorry for out loss, but happy that Janet is with her Lord and Savior. My prayers are with you, Sandy Reisinger.
