“ I was so sorry to hear about Jan. She babysat me for such a long time- years. I knew her and her family really well, and I am sad I had to miss saying goodbye to her. I had many good memories with her, and it has been 10 years or more since I have seen her. The important thing to think of she is no longer suffering, she is happy. She is with god and her angels and she will be waiting for all of us to join her someday up in heaven. I have been praying for her and her family, and I am sorry she had to go at such a young age. She will be greatly missed. Love Erin Backus now Heger

“ I was very sorry to hear of Jan's passing. Jan was an absolute lifesaver for me and my daughter Erin. As a single mom I always new my daughter would be loved and cared for as if she were Jan's own.I never ever worried about her under Jan and Murph's watchful eyes. But what was so special about Jan was that she was that way with ALL of the children in her daycare. Erin and I were very blessed to have known Jan and "Murph", as they are very special people whom we will never forget.
