“ Dan and Pam, I am sad to see Jason leave us. He was a very good coworker as you were also when you were with us at work. It hit me personally because my son who is about the same age was in a vehicle wreck just recently also. Steve Brandl

“ Jason was a good man and I was proud to have worked with him. I am a better person just from knowing him. The world is a darker place without his presence. My heart goes out for the Downey family.
