

## Jason Benjamin Garcia

January 5, 1979 - March 10, 2026

Jason Benjamin Garcia known lovingly to family and friends as Jay was born January 5, 1979 and passed away March 10th, 2026 after a short battle with cancer. Jason was a lifelong resident of Colorado living in both Ft. Collins and Wellington. Jason was a graduate of Poudre High School. Jason was currently working as a Postal Carrier for the Ft. Collins Post Office. For approximately 11 years, Jason approached his work with an unwavering commitment to the job and a warm smile. Beyond his professional life, Jason was an avid passionate outdoorsman, finding joy in both 4 wheeling and fishing where he cherished the tranquility of nature and the thrill of adventure. Jason was a man who let his actions speak louder than his words. Jason was quiet by nature but he also had a way of catching people off guard with a perfectly timed sense of humor that would light up the room when it was least expected. Jason's vibrant spirit is deeply matched by his love for family. He is survived by his devoted parents: Benjamin Garcia Jr. Renee and Randy Brandes, his brothers; Jesse, James (wife Allie) and a sister Janee (husband Nate); Jason also leaves treasured memories with Aunts. Irene Mora & sons, Rosy Munoz & daughters, Laurie & Craig Bath, Mandy Jones and his Uncle Mike. Jason was preceded in death by both sets of grandparents and his Aunt Pam Each of these relationships enriched his life, reminding us of the importance of family bonds. Today we will remember Jason and celebrate the joy, shared laughter, his adventurous spirit, and caring nature. Jason's love for us will forever be etched in our hearts and will continue to inspire his family

and friends to live life fully and cherish every moment.

In honor of Jason, a Celebration of Life will be held on Friday, March 20th at 2:00 PM at Bohlander Funeral Chapel on 121 Olive St, Ft Collins, with a reception to follow at Bohlanders.

“ Today was Jason’s Celebration of Life, thank you to everyone who came to help us say our final goodbye to him. It was one of the most heart breaking experiences I have ever had, to say goodbye to my son. He will be in my heart forever.

“ I've known Jason since 1st grade when I was forced to transfer from a Fort Collins school to Eyestone. He became my friend in second grade, we did cub scouts together. After 6th grade, he moved away. I ran into him again the first couple of days of high school through a mutual friend, though it was Jason, I would run into him eventually. We took a few classes together and hung out together nearly everyday. After high school, I went away to college then life kept me busy, but I always talked about Jason and what a true friend he was then. A few years ago, I ran into him at the Wellington Grill. We caught up and met up nearly every week for about 2 years, then life changed again for me but would run into him at various places, the last time being a gas station a couple of month ago. Life is preventing me from being there on Friday but you will be remembered and sorely missed.
